**WEBCOR BUILDERS
NOTICE TO SUBCONTRACTORS
BID PACKAGE REVIEW PROCESS
SAN FRANCISCO PUBLIC GENERAL HOSPITAL
JOB No. 6694A
SAN FRANCISCO, CALIFORNIA**

Webcor Builders (Webcor) is extending an invitation to any potential Bidders with significant experience with high-rise hospital buildings and complex projects located in an urban environment to be part of the review process for the below Bid Packages. This is neither a Request for Qualification (RFQ) nor a Request for Proposal (RFP), or intended as an award of these packages. Webcor is simply inviting those Bidders who are interested in reviewing the Construction Documents to assist in the analysis of Constructability, Specifications, Product Analysis, Value Engineering Options, and Scope Input.

If you chose to be part of this review please contact Aris Koron at akoron@webcor.com; (415) 695-3818 or Brianne Low at brianne@webcor.com; (415)695-3814 to make an appointment to pick up a package or have a package mailed or emailed. **Participation in this review will be without compensation.** At a later date Webcor will advertise for a RFQ and RFP for Trade Subcontractors interested in bidding the below scope Construction Services on the contract for the San Francisco General Hospital (SFGH) Project located in San Francisco, California. Trade Subcontractors must hold valid contractor licenses.
